

## A PEEK INSIDE THE KIPS BAY DECORATOR SHOW HOUSE DALLAS

September 28, 2020

They say everything is bigger in Texas, and that certainly holds true for the inaugural [Kips Bay Dallas 2020 Decorator Show House](#) which is now open to the public! Twenty-seven of the top designers in Dallas and throughout the US transformed a sprawling 11,476-square-foot French Provincial style home located in the Old Preston Hollow neighborhood, and the results are magnificent. I think this may be the most beautiful Show House I have seen yet, and it also happens to be [for sale](#)! The Show House is open through October 25, and all proceeds from the month-long event go toward the Kips Bay Boys & Girls Club and local nonprofits Dwell with Dignity and the Crystal Charity Ball. Today I'm sharing highlights from my favorite rooms, and there are a lot of favorites!
